RHYC anchor watch

Cruise Report – Father's Day–70's Disco Cruise

13 boats, 32 adults and 2 children arrived at Port Ludlow for a weekend of disco fun. Friday night there was an array of creative 70's appetizers. Did we really eat that stuff? The tent at the marina was a great place to gather but made for quite a wind tunnel. Later we enjoyed a campfire complete with s'mores. The fire felt good because it was a little cool and windy. An impressive colors ceremony was performed by our members. Other boaters came to enjoy colors with us.

Saturday morning we enjoyed a breakfast of fresh fruit, fried spam, quiche and mimosas. We found out that Tang is not so good in mimosas. Thanks to Frank Sherwood who drove from Bremerton to deliver our champagne. After breakfast the ship's store was set up and craft supplies were put out for the pet rock contest. Everyone tried to find the perfect rock to decorate.

In the afternoon we again gathered for the jello mold and pet rock contests. The jello creations were great. We had orange wedges, traditional jello shots and elaborate molds with jello and flourless chocolate cake. The pet rocks were very creative from cute rocks with curly hair and googly eyes, rock & roll (rock in a dinner roll), to a bikini clad rock. What fun.

Saturday night the barbeques were fired up and members arrived in great 70's costumes. Everyone cooked their own meat and then enjoyed corn on the cob, baked beans, potato salad, Caesar salad, rolls and brownies and cheese cake for dessert. 70's music played and disco balls

were everywhere. Winners of the contests were announced: Best jello mold Angela Junger with her decadent flourless cake and jello creation. Second place was Holly Palmer with a variety of orange wedges. Best pet rock was won by Nadeane Rutledge with her bikini clad rock and second to Tim Rutledge for his Roche Rock Monster. The children winners were Olli and Sophie Mehlum and received yoyos for their cute googly eyed rocks. Best costumes went to best couple Dave & Mary Mehlum, Best individual costume Liz Brownell with second places going to Verna Maruska and Don (Elvis) Whatmore. First place received a pair of cocktail glasses that lit up when you put liquid in them and 2nd place received hamburger helper. The children's costume winners were Ollie and Sophie Mehlum who received light up suckers. At sunset we again enjoyed another bon fire and the colors ceremony. Members of the Port Ludlow Yacht club joined us for colors. Thanks to all the members who performed in the colors ceremony. By Saturday the flag lowering was perfectly timed to the music.

Sunday morning we woke to beautiful sunny but a little windy weather. Members said their good-byes while enjoying cinnamon rolls, fruit and real orange juice (no tang). Thank you to all of you who volunteered to bake quiche and cinnamon rolls. Thanks also to my cruise team. Kelli Werth who found all the great prizes, made the Caesar salad and helped all weekend to ensure that everything was done. Thanks also to Bill Moffet and Rick Werth for doing all the hauling and helping out wherever we needed them and to Frank and Amy Sherwood who did not attend because Amy was ill but did the flyers and Frank made a special trip to get the champagne there for breakfast on Saturday.

Those attending: Bill & Liz Brownell, Glen & Liz Dodge, Jon Edwards & Holly Palmer, Peter & Angela Junger, Al & Tara Manhalter, Bob & Verna Maruska, Dave & Mary Mehlum with family Eric and Megan Mehlum and Ollie & Sophie, Neil & Noreen Millen, Bill Moffet, Jim & Karen Norton, Bob & Shirley Patterson, Tim & Nadeane Rutledge, Randy Sweet, Rick & Kelli Werth and Don & Carolyn Whatmore. Also attending for Friday night were new applicants Tom & Karen Hamilton who are now headed to Alaska in their 50' Navigator named Brigadoon.

Thank you again to all of you helped us make this an enjoyable weekend for all.

Neil & Noreen Millen – Cruise Captains

Commodore's Report

What a gift we have received with the summer like weather in June. I can think of no better way to enjoy it than attending a cruise. Unfortunately, we had to return the boat to the yard to complete the repairs they were doing so we made the last minute change to attend by land yacht. Cruise Captains Noreen and Neil Millen once again did a great job of hosting the 70's theamed cruise and we all got to celebrate ushering in the summer solstice and fathers day. Thanks to the cruise team for a very enjoyable event!

The Bridge has been working with Jon Edwards developing the new web site. **We are launching the public portion of the new web site followed by the members only section. Please see page 8 of the AW for more information.** Each membership will have an individual password rather than the general password published in the roster. We encourage you to explore the site and share your thoughts on what you like and ideas for improvements.

By now you should have received your 2015 roster inserts with the updated information. If by chance you have not received your copy, please contact Kim Nance or Frank Sherwood and let them know. Extra copies of the roster can be purchased for $10 from Frank so let him know if you need another copy.

In just a few short days we will be at our raft up in Liberty Bay for the annual July 3rd event at Poulsbo. It is a great fireworks show and fun event. If you are still in the mood for more fireworks, you can cruise to Quartermaster Harbor and anchor out for their show on the 4th. The weather will be in the 80's so bring your sun screen and dinghy and get out and enjoy the water. Thanks to Paula and Jerry Baruffi for volunteering as Cruise Captains.

We are making good progress with our membership recruiting efforts and we have plenty of available openings for new members. Take the opportunity to introduce the club and benefits while you are our on the water or visiting a new anchorage or marina. Our Fleet Captain has taken a new approach to passing the time transiting the locks by handing out flyers and discussing the club with his lock mates. Be creative and you may find new ways to meet like minded boaters that will enjoy the benefits that RHYC has to offer.

I hope to see you all at the July Cruise. Be safe and enjoy life on the water!

Respectfully Submitted,
Bob Maruska
Commodore

Vice Commodore's Report

Here at last, here at last, everyone thank goodness summer is here at last !!!!

I hope everyone that attended had a fantastic time at the "70's Disco Cruise" to Port Ludlow. Due to extenuating circumstances, I was only able to attend for a short period of time, however it looked like another fantastic Roche Harbor Yacht Club cruise. I'm planning on the 4th of July cruise to Liberty Bay in Poulsbo and hope to see everyone there.

Respectfully Submitted,
Frank Sherwood
Vice Commodore

New Members

The Bridge has taken action and the following have progressed from published applicant to active membership. Please help congratulate and welcome our newest Active Members:

Inducted at Port Ludlow— Father's Day 70's Disco Cruise

James and Karen Norton
Greenbank, WA
1996 50' Pilot House
"JUST LOOK'N"
Sponsors: Phil & Debi Freund and
Tom & Chris Miner

We welcome James & Karen and we look forward to you becoming an active cruise member and sharing boating fun with us for the remainder of this year and in the many years to come.

We also officially welcome Randy Sweet as he received his Burgee and Membership Roster in Port Ludlow.

It is also my pleasure to announce that the board approved the applications of Deborah and Greg Atkinson and Pamela and Justin Feldman as associate members. Again, welcome to our great club and we look forward to seeing you at our future events.

Welcome to the Club

New Applicants

In accordance with RHYC Bylaws the following applicants for Active Membership are being published to initiate the application process. The applicants are as follows:

Zip and Marsha Trower
Issaquah, WA
1983 28' Glasply model 28LLC
Sponsors: Ken Klett & Ed Allison

Dick and Eva Bennison
Gig Harbor, WA
2001 68' Westbay, Model Sonship 68
Sponsors : Ken and Cindy Spiker
Bill Moffet

"Effective with this notification, applicants start their 90 day window to attend a cruise or club event, after which the bridge will vote on their membership. Please make a point to meet, greet, and get to know our new applicants when they attend their qualifying cruise. Also, sponsors please assist the applicants to complete their qualifying cruise ASAP.

Rear Commodore's Report

Can you believe this weather? Liz and I were fortunate to take a 2 week circle of Puget Sound and the San Juans and visited a number of our Reciprocal Partners. The first was Oak Harbor with 80' of dock but a max size of 48', Friday nights they hold a burger fest and if you also stay extra days at the Marina you are eligible for a $ .20/gal discount on fuel up to the cost of your Marina stay. Next was the Swinomish YC at La Conner, with a nice dock with no size limit just 2 blocks from town. Don't forget to try out the Olive bar and investigate all different flavors. 3rd was the Bellingham YC with 100' of dock and a 60' max. We enjoyed the Clubhouse Taco Thursday and full bar and they have other menus Wed. and Fri. Followed by our new partner, the International YC at the Blaine Marina. Lots of space and easy access to the Peace Arch Park and the shops of Blaine. It was then a tough cruise about 500' to the west and a stop at the 60' space of the Semiahmoo YC and a visit to the great resort, restaurants, and beach walk. After a stop at Echo Bay, Sucia Is., we made it to Fishermans bay for dinner and overnight. Please note that the Islander has changed our power poles to 4 ea. 50A/240V. For 30A you will need your adapter or borrow one from the Marina. The trip ended at the Port Ludlow Cruise following a quick overnight at Mystery Bay and of course ice cream at the Nordland Store. The Port Ludlow YC welcomed us to two nights at their 80' slip and they invited us up to the club house for drinks and snacks by a representative coming to the boat with a gift bag of a cleaning items and info cards outlining what Port Ludlow has to offer. If you're in the area don't forget to try the fantastic Golf course as 4 of us did and miles of hiking trails.

Noreen, Neil, Bill, Rick and Kelli put on a great cruise to finish out our trip, OK maybe it wasn't just for us. I want to acknowledge running into Pete and Linda Jung in Chuckanut Bay and Peter and Angela Junger in Blaine. I kept looking but couldn't find the rest of you, so we'll try harder next time.

Get your boat out of the garage and set the auto pilot to head for your favorite anchorage or Reciprocal in the greatest cruising area in North America. Note - I haven't traveled to a lot of the world so it may be the best there too.

Glen Dodge
Rear Commodore

Treasurer's Report

Nothing to report at this time

Thanks
Matt Hickman, Treasurer

Secretary's Report

Sadly John and I did not make what had to have been one of the most fun cruises to date. Anytime we go back in time we get to laugh at the outfits and the hair do's we most likely all sported back then. I've got to say that from the pictures, taken by PC Dave, Don Whatmore had to be the best! We were unable to attend because of a dead starter. We must not have spent enough boat bucks on Last Mango last year with her re-fit so she is getting off to a running start this year with her own special demands. Ugh.

Speaking of ugh, I really made a mess of the first flyer and the second flyer that went out for the Colors. My need to put together a flyer fast for last month's AW is my excuse. Not a good excuse. I truly thought that with my memory (oops, not that it's good) and a comment I had heard about the frustrations that Roche Harbor Marina experiences with no shows, they would prefer at credit card at the time of reservation. Well, that's what I get for thinking, they don't. You'd think after all the cruises we've done I would know better! So, take a look at the flyer in THIS Anchor Watch to get the correct information. And yes, it is correct this time. Be sure to fill out the form and send a check in the mail as soon as you can, and yes again, I did put my address on this one. We have 40 slips to fill which is a lot but don't wait until the last minute this is a well-attended event. We hope to see many of you there.

Lynn Sipkens
Secretary

Fleet Captain's Report

The Father's day cruise is now in the books. A big thank you to Noreen and her crew (Kelli and Rick Werth, Bill Moffet) for putting on a great cruise.

Our next cruise will be held in Liberty Bay outside of Poulsbo with the tie-up beginning on July 2nd and breakdown on the 4th. Hopefully, you already have your reservation in to our cruise captains Paula and Jerry Baruffi. They are planning a cruise with good food, fun and fireworks – who could ask for more?

A 60's beach party theme is planned for our August Colors cruise to Roche Harbor by our cruise captains, Lynn and John Sipken's. The cruise is scheduled for July 31st to Aug 2nd so time is running out for you to get your reservation in to Lynn and John. If you have not sent in your reservation, please do so ASAP! As a reminder, Lynn and John will be sending in the attending boat listing to Roche Harbor Marina so there is no need for you to make separate reservations. For more information, please check out the flyer included in this newsletter.

As we have not had any volunteers step up to be cruise captains for the upcoming Labor Day cruise to Pleasant Harbor, Holly and I have decided to semi-host just one more cruise. We have planned a salmon bake one night and a chili cook-off on the next - with daily activities such as a Crab Derby and Horseshoe tournament. As this marina has just had a complete facelift, there is a lot to check out and enjoy. Please take a look at the included flyer and put it on your calendar. Please join us!

Have fun, and I'll hope to see you at the next cruise.

Jon Edwards, Fleet Captain
fleetcaptain@rhyc.org

Past Commodore/Trustee

It is June already and the weather has been sunny and warm. I asked for members interested in joining the leadership of this club to contact me in my last report. I have not received any calls. If you are willing to join us or have an interest in working for this fine club, please contact me at drdave50@me.com.

Dave Mehlum
Past Commodore

ATTENTION ALL MEMBERS—THE WEB SITE IS CHANGING

The RHYC bridge is pleased to announce the launch our new RHYC website. By the time you read this article, the new site should be active at rhyc.org. I would like to thank Ken and Julie Hammerquist for helping to make this new site a reality.

For those members with email addresses, you will shortly be receiving a welcome email with your logon and temporary password. Once you log into the site and change your password, please take time to update your contact information and online Bio. Please remember that there is only one logon per membership and the contact information will be for the primary member.

Starting with the Labor Day cruise, all registrations for cruises will be exclusively handled on the website. You will be able to register and pay for the cruise online. For those that do not have online access, please contact the fleet captain who will be glad to register you for any cruise you wish to attend.

If you have any issues in accessing the website, please send an email to webmaster@rhyc.org with your issue.

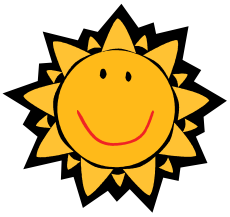
As a reminder of the capabilities of the website, the following is reprinted from an earlier newsletter article:

Online Membership Database – The Cub website will features a full online member management system. This system will allow for a full lifecycle of Club memberships with online signups and automatic membership renewals as well as expirations with integrated email reminders.
Member Profile – Every membership will have their own username and password to login and view member-only content. The Profile allows members to update their personal information, bio and photo, and to view a complete transaction and payment history.
Event Calendar - The website features a powerful event calendar with online registration and optional payment, as well as attendance tracking. This facility will provide for easier signup and cruise captain management of RHYC events. The calendar supports single-activity or multi-activity events, multiple pricing options, the ability to add companions to an event registration, and event-specific questions.
Photo Pages – The platform allows the club to upload as many hi-res digital photos as we would like, organize them by tags and place them on specially designed photo pages. The system stores each photo in different resolutions and optionally allows users to download hi-res photos from the website. While only approved administrators in the club will be able to upload and administer, it will provide a location to store all of the photos taken at an event. It also provides a location for the general public to check out and see how much fun we have as a club.
Document Library – The website platform will allow us to create an online library of club documents, organized into any number of folders and sub-folders, with full control over visibility. We will be able to track how often each document is downloaded, and even allow members to upload and comment on documents. While this will not replace the RHYC yearly published handbook, it will be an online repository of this information.
Public and Private web pages - The website supports full control over web pages, navigational

menus, photos, documents and more so that only the information that the club wishes to display to a public viewer of the site will be available. Member information will only be available to authorized members. Changes to the site can be made at any time by any authorized user; we will not require a programmer to update the website.

I will submit more information about the web site capabilities in forthcoming newsletters articles.

Jon Edwards
2015 RHYC Fleet Captain



Sunshine Report

Amy Sherwood had her surgery on her back the report is that she will be down for 2 to 4 weeks, let's keep her in our thoughts and prayers that she will have a speedy recovery so we will see her back with us for our summer cruising. Let's also continue to keep Don & Carolyn Whatmore in our prayers as they continue their treatment. It was good to see them with us at the Father's Day 70's Disco cruise.

Please remember to send me reports of those that could use our support with thoughts, prayers and encouraging words.

On a very happy note; Congratulations to Paul & Brenda Norris for 50 years of marriage!

Respectfully Submitted,
Verna Maruska,
Sunshine Lady

Odds & Ends

Burgees and Handbooks: If you sell your boat, do not leave the burgee or club handbooks on board. If you resign from the club, remember your burgee may not be displayed on the open water. You may return it to the club or perhaps frame it for your den or office room wall. It's unfortunate, but we have heard about non-members and non-member boats cruising under the RHYC colors.

Burgee Sales: If you need a new burgee to spruce up your boat before cruising season, please contact me or see me at an upcoming cruise and we can get you a new one.

Frank Sherwood, Vice Commodore and Membership Chairman

From Noreen's Kitchen

EASY CINNAMON PULL APARTS
(As served at the June Cruise)

Ingredients:
18 frozen Rhodes Dinner Rolls (come 36 to a package)
1 pkg jello cook and serve butterscotch pudding
½ cup brown sugar
1 tsp cinnamon
½ cup (1 cube) butter
In a greased (I use Pam) bundt pan evenly place 18 frozen rolls. Sprinkle on top of rolls jello, brown sugar and cinnamon. Melt 1 cube of butter and drizzle on top.
Place pan in microwave oven overnight to raise. (Some people get better results if they place a cup of water in the microwave first and heat until steaming and then put rolls in beside the cup of hot water).
In the morning take out of microwave and bake at 350 degrees for 30 minutes.
This procedure can also be used to make garlic rolls for dinner. Place rolls in bundt pan and then drizzle over garlic butter and any other spices you may want. Let rise for about 6 hours in microwave and then bake 350 degrees for 30 minutes.

Port Ludlow—Father's Day 70's Disco Cruise

Port Ludlow—Father's Day 70's Disco

RHYC LIBERTY BAY EVENT

JULY 3, 2015
