Cruise Report – Memorial Day Cruise - Raft Up

The weather was great, to good, to fair, to not so middlin, and back to good. We had a fantastic group of boaters but not quite enough for a full wheel so we went with the “equals sign” tie up. This still allowed for a center pond where we played Frisbee golf, Bingo (with 3 winners) and shouted good natured jibs at each other. In celebration of Memorial Day, boats decorated and we ran colors two nights. The dinghy parade happened to be scheduled for the middlin afternoon which became a little wet from the top side so it got short circuited. But, on Saturday we did have a dinghy cruise to the Nisqually River Delta which was great fun and only had 2 mishaps, Ron L.’s outboard blew up and Woody found something to eat his propeller.

On Sunday the dinghy cruise went to Penrose Point and the newly reopened Lakebay Marina. The Marina has opened the Café and offers gas at the dock (no diesel) (plenty of ice cream). The cruise team with great help from many, offered Eggs Benedict, fruit and mimosa’s for Sat brunch, oatmeal, fruit and juice for Sunday breakfast, and King Salmon, baked potatoes, BBQ asparagus, and salad for Sunday dinner. Being hungry was not easy. Saturday night a few swingers headed to the Lakebay Community center and enjoyed the music of the Fingertips, dancing the night away. Speaking of nights and being away, next time you see Mark and Linda Carpenter ask them about Thursday night at the Gig.

Deadline for next newsletter.....July 13th

The teams present were Sue & Allen Boudreaux, Linda & Mark Carpenter with Darleen as guest, Liz & Glen Dodge, Sandy & Steve Driscoll, Jan & Ron Inberg, Linda & Pete Jung, Ron Leonard with Carlos and Kellie as guests (Carlos won the Frisbee golf), Mary & Dave Mehlum, Chris & Tom Miner, Michelle & Steve Nelson, Jan & Dave Robinson, Amy & Frank Sherwood, Lisa & Jim Tener with Mike as guest, Willow & Chris Williamson, and Evie & Woody Wood. Visiting or participating for one day or another Verna & Bob Maruska, Debi & Phil Freund, Paula & Jerry Baruffi, Julie & Ken Hammerquist (parked on the dock with Des Moines group but came for dinner, we'll have to discuss priorities)

Looking forward to seeing you all on future cruises
Liz, Glen, Linda, and Pete - your Memorial Day Cruise Team

Cruise Report – Father’s Day Cruise - Lethal Luau

Wow what a great time we all had at the Lethal Luau. Friday night we had a “decidedly different” wine tasting. The winner was PC Liz Dodge with Charles Schwab. It was decided by the wine tasting committee (John Sipkens and Tim Rutledge) that she should win the hillbilly wine glass (which she seemingly loved!). Our Yuk wine winner won a battery operated wine bottle opener. The reasoning was she obviously needed to open more wine! The name of said “Yuk” winner is withheld to protect the innocent.

Our actors were all worthy of an Oscar. Pete Jung was Bojo a rock’n surfer dude, Bob Maruska was a bumbling tourist/escaped convict! Debi Freund a wealthy socialite, PC Noreen Millen a reclusive “lettuce” farmer, Verna Maruska a sexy swimsuit model, Nadeane Rutledge a supposedly naïve hula girl, Jeff Kroeller/Keith Perry a scuba instructor, and last but not least David Silver as Chief Wiki-Wiki. Our very sweet Vice Commodore Bob Maruska turned out to be the bad guy. He did the deed, he did away with his buddy Chase. Chief Wiki Wiki (David Silver) won best actor because he was obviously deep into character, Verna Maruska, our sexy swimsuit model, was Best Actress and Larry Cronin won Best Detective. He was the

only one who figured out “who done it”! They all won fabulous trophy’s for their trophy shelves.

John and I had a wonderful time putting this weekend together and as always are grateful to all of the members who joined us for a little insanity.

Cruise Captains,
Lynn & John Sipkens

C Commodore Report

Since my last report in May we gathered for the Memorial Day weekend. This was held in Filucy Bay at Longbranch. We had a great time and the weather was good (except for a wet Sunday). Please give Glen and Liz Dodge and their team a big thank you.

We now are anticipating a good turnout for the next event in Eagle Harbor. This will have taken place before publication of this Anchor Watch. We will then meet for July 3-6 beginning in Liberty Bay and then to Quartermaster Harbor for more activities. I haven’t been to Vashon’s fireworks for several years, but understand they are excellent. Thanks to the Thomas’ and Williamson’s for picking up this cruise.

I hope to see many at the upcoming cruises. Wishes for a happy and safe summer of cruising to all. Please be sure to sign up for the upcoming cruises as soon as possible as many of us will be gone through Labor Day. It will help the teams plan for their events.

Dave Mehlum,
Commodore

Treasurer Report

Hello RHYC Members, the boating season is under way and we have a lot of fun cruises planned during the summer. Take the opportunity while you are out boating to tell people what a great cruising club RHYC is and encourage them to sign up for membership. We have had a good start to our recruiting season so let's keep it going. I have flyers you can hand out to prospective new members - just email me and I will send some out to you. Also encourage people to check out our website to learn more about our club.

I have reconciled the clubs bank account thru May 31, 2014 and our finances are in good order. Anyone wishing to receive the current financial statement can email me and I would be happy to provide you with the latest report or answer any questions that you have about the clubs financial status.

Thanks everyone and have a great boating summer.

Michelle Nelson,
Treasurer

Secretary Report

John and I would like to thank all the members and prospective members who came to our Lethal Luau weekend. We had such a great time with all of you.

I will be back to doing the AW in July. I had a few medical issues but miss doing the AW for you all.

I hope to see everyone on the water.

Fleet Captain Report

Once again, Glen and Liz Dodge conspired to save this old bag of bone's butt by hosting the Memorial Day Cruise to Longbranch. On really short notice, Liz whipped up magnificent meals (grilled salmon-yum!), Glen wrangled our parallel raft together, and then led us in fun dinghy cruises to places like the Mekong Delta (er, Nisqually River. Reports of little guys running around in black pajamas were greatly exaggerated). Thanks Dodges. I know I stand in a long line of cruisers in your debt. Thanks for everything.

With some "adjustment" to the rules as we went along, the Longbranch Cruise Captains showed us a novel way to entertain ourselves in the only rainy afternoon of the Longbranch cruise. Yes, it is possible to play Frisbee Golf with floating Frisbees, but it was more than a bit of a challenge for most of us to actually come close to the "holes" (floating, tethered inner tubes and liferings), much less actually score some points. As with all whacky games floating through various RHYC cruises (ooohhh-another poor pun), prizes are expected at the conclusion, with Frisbee Golf no exception.

While a grand time was had by all during the game, an embarrassing situation evolved at the end, as the Fleet Captain's Grand Prize was won by a member applicant! Therefore, I had to go somewhat further down in the score card to find an actual RHYC member to award the Grand Prize to. After lengthy review of the rules for the game, examination of the 30-something scores for the game, review of eligibility for prizes, consultation with the oracles of righteousness, etc., I am finally able to announce that Chris and Willow Williamson have been awarded the Fleet Captain's Grand Prize for Frisbee Golf! Yeah, clap, whistle, cheer... OK, so what's the Grand Prize, you ask? Why, the privilege of hosting the 4th of July Cruise, of course! Way to go, Chris and Willow! More cheers, claps, whistles! A cruise flyer soon to follow, I'm told. (It should be sorta obvious why the Grand Prize was not advertised prior to the event...).

Having to resort to such skullduggery to find Cruise Captains is not my preferred cup of tea. And, as we still have one final un-Captained cruise (Columbus Day Cruise to Pleasant Harbor 10-13 October), please, please, PLEASE help me out and volunteer to lead that cruise. Pleasant Harbor is a beautiful venue, with many opportunities for fun in the sun, hopefully some crabbing, swimming in the pool and/or hot tub, BBQ, and other stuff. If you're on the fence, call me up and we'll chat about cruise ideas.

The Cruise Calendar for 2015 is evolving, which will be officially published sometime in the fall. At this point, I have selected Tulalip Casino in Marysville as the site for the Icebreaker in early January, C.I . Shenanigans in Tacoma for the Sweetheart cruise around Valentine's Day, and Everett again for the Business Meeting cruise in early April. I am also proposing both a Stag Cruise for the guys and a Women's Cruise for the ladies. Location and dates TBD.

I hope everyone is looking forward to attending our next cruise this year, which promises to be a giggle of a Murder Mystery dinner over Father's Day in Eagle Harbor. John and Lynn Sipkens are assembling the actors, working on the script, figuring out a somewhat sketchy marina, doing grub, etc etc etc. Holy cow-can't wait! See you there.

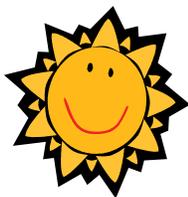

Pete Jung,
Fleet Captain

Past Commodore/Trustee Report

I am pleased to announce that Past Commodore Noreen Millen and Past Commodore Jeff Kroeller have graciously agreed to join me on the nominating committee for the 2015 slate of officers for Roche Harbor Yacht Club. If you have an interest in serving on the board or know someone who would be a great addition, please let Noreen, Jeff or me know ASAP. I can tell you from experience that there is no better way to get to know other club members than to be a part of the board and it is a rewarding experience. Remember, to get out of an organization according to how you contribute. Thanks so much.

Phil Freund
Past Commodore

Dock Talk

Please submit information to share with our boating community. It can be photo's from a recent event, articles you have read that may be of interest or anything else fit for print.

Odds and Ends

Burpees and Handbooks: If you sell your boat, do not leave the burgee or club handbook on board. If you resign from the club, remember your burgee may not be displayed on the open water. You may return it to the club or perhaps frame it for your den or office room wall. It's unfortunate but we've heard about non-members and non-member boats out there cruising under the RHYC colors.

Burgee Sales: If you need a new burgee to spruce up your boat before cruising season, please contact me or see me at an upcoming cruise and we can get you a new one.
